

CITY OF HERMANN TREE REPLACEMENT PROGRAM

The City of Hermann will reimburse up to \$75 for replacement cost of trees that are removed for City Utility right-of-way maintenance. Applicants must receive approval from the tree commission before replacing a tree. All trees shall be planted according to Missouri Department of Conservation. All applicants have 30 days after a tree has been removed to apply for reimbursement and one year to have a Tree Commission-approved tree planted. Trees shall be the "Right Tree in the Right Place." No tree shall be planted closer than 15 feet of the centerline of any overhead conductors, nor over any underground utilities. Trees should not interfere with any public streets, signs, sidewalks, utilities, or property lines at full maturity without trimming.
